

Asset manager quarterly memorandum | Cedar Quay Apartments

Property facts

Cedar Quay Apartments is a synthetic 84-unit garden-style community at 84 Cedar Lane, Jacksonville, FL 32207. Built in 1988 in six two-story buildings on 7.2 acres. Amenities include a clubhouse, pool and fitness room. Travel times have not been supplied.

Acquisition and plan

Acquired 2027-10-15 for \$12,600,000; contributed equity \$4,600,000. Approved hold: four years. The washer/dryer program is active; 12 installations were completed this quarter. Do not describe the program as paused.

Quarter-end operating update

The pool gate repair was completed on 2028-03-31 for \$4,200. The remaining clubhouse access ramp is due 2028-05-31. These are asset-manager statements as of quarter end.

Approved next-quarter goals

Reach 95% physical occupancy; target renewal increases of 2% to 4%; finish the access ramp by its stated deadline. These are targets, not forecasts.

Outlook

No approved full-year NOI forecast or insurance renewal premium has been supplied. Do not infer these from quarterly expense data.
